

BC Coast Regional Development Team

Hello to you all,

Welcome to the 2008- 2009 BC Coast Regional Development Team. For those of you that are new to the team, we are happy to have you as a member in this program, and for all returning members, we are glad to have you back.

We are very excited to have you all participating this year. We have a new committee of excited coaches and volunteers who want to make this experience phenomenal! We will be conducting seminars, team trips and team events that should make for an exciting year of new experiences and friendships.

We will be taking on a more creative concept with seminars that are goal oriented, pertinent to the new system and changes that we are seeing in our sport. I encourage you to forward any ideas and comments about the team. We want to celebrate the joys of skating and give you something new and exciting to work on and think about.

Our goal is to help make YOU, the region skater, the best in the province.

Sincerely,

B. C. Coast Regional Development Team Committee –

Regan Gieger- Coordinator

Tannis Marshall- treasurer

Stacy Geddes- Evaluations

Trish Flannery – BC Coast Region board rep.
