Junior Development

An **introduction to figure skating** in a group lesson setting. All skaters accepted into the JD program have been auditioned by one of the program Co-ordinators and has shown desire, talent and interest in figure skating.

Jumps, spins, footwork and musicality will be developed through this 2-day per week program. **Class sizes are kept small** (7 skaters per coach or less) in order to allow for individual attention. Skaters must show their commitment in enrolling in the entire twice-a-week program.

Sunset SC's JD **coaching staff** is one of the best in Vancouver. Nationally certified coaches with competitive history will work with your child on a weekly basis to ensure they develop the necessary figure skating basics.

Skating attire for Junior Development differs greatly from that of Canskate. Girls are to arrive in a skating dress or skirt with their hair in a bun or tied back. Boys are to wear appropriate skating pants. No loose clothing or heavy winter jackets. Helmets are not recommended or necessary at this level.
