# After Canskate...

An **introduction to figure skating** in a group lesson setting. All skaters accepted into the JD program have been auditioned by one of the program Coordinators and have shown desire, talent and interest in figure skating.

Jumps, spins, footwork and musicality will be developed through this twice per week program. **Class sizes are kept small** (6 skaters per coach or less) in order to allow for individual attention. Skaters must show their commitment in enrolling in the entire 2 day program.

Sunset SC's JD **coaching staff** is one of the best in Vancouver. Nationally certified coaches with competitive history will work with your child on a weekly basis to ensure they develop the necessary figure skating basics.

**Skating attire** for Junior Development differs greatly from that of Canskate. Girls are to arrive in a skating dress or skirt with their hair in a bun or tied back. Boys are to wear appropriate skating pants. No loose clothing or heavy winter jackets. Helmets are not recommended or necessary at this level.
